

About the Home Team

The Home Team concept was launched in 1997. It centres around the idea that agencies in the Home Team perform various roles but are committed to a common mission to keep Singapore safe and secure.

The Home Team comprises ten agencies:

Ministry of Home Affairs Headquarters (MHQ), Singapore Police Force (SPF), Internal Security Department (ISD), Singapore Civil Defence Force (SCDF), Immigration and Checkpoints Authority of Singapore (ICA), Singapore Prison Service (SPS), Central Narcotics Bureau (CNB), Home Team Academy (HTA), Casino Regulatory Authority (CRA), and Singapore Corporation of Rehabilitative Enterprises (SCORE).

We work in close partnership with the community to keep our home safe and secure.

As one Home Team, we serve with determination, pride and passion, guided always by our core values of Honour and Unity.
