

You have been registered under ICA's AUTOMATED CLEARANCE INITIATIVE

You will be able to use the automated lanes at the passenger halls and the motorcycle lanes on your departure and subsequent trips to Singapore.

How to use the automated lanes?

Present your passport at the automated lanes

Remove the passport when prompted

Enter the lane

Present your biometrics (iris/facial or thumbprint) when prompted

Exit the lane promptly

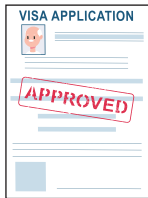

ICA

What to prepare for subsequent trips into Singapore?

To use the automated lanes on subsequent trips into Singapore, you need to have:

- A passport that is valid for at least 6 months;
- A submitted SG Arrival Card;
- A valid Singapore visa (if applicable)

Ensure you provide a valid email address in your SG Arrival Card submission to receive your Visit Pass (e-Pass) which contains the conditions of your visit pass and validity of stay* in Singapore when using the automated lanes. You will not be issued with an arrival immigration endorsement in your passport.

For more details, please visit ICA website at <https://go.gov.sg/automatedclearance> or scan this QR code.

Download your SG Arrival Card on Google Play and App Store today.

* Please ensure you have a valid stay in Singapore. You may apply online at ICA website if there is a need to extend your stay.
