

Step-by-Step Guide to

e-IACS

enhanced-Immigration Automated Clearance System

The eIACS is an automated clearance system which provides convenient and secure immigration clearance for eligible travellers.

This guide will show you how to use the system effortlessly in 6 quick and easy steps.

For more information, please visit our website at www.ica.gov.sg

Step 1

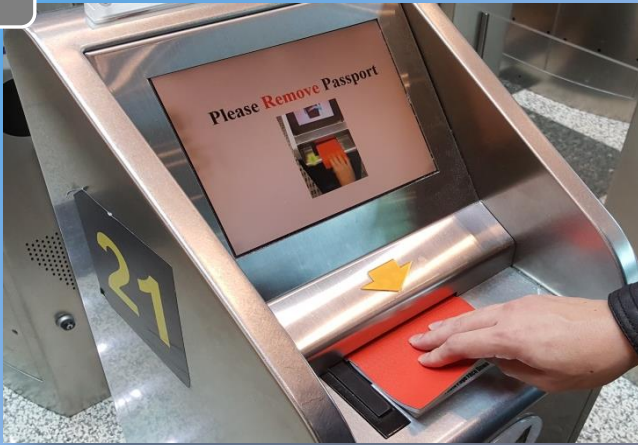

Stand behind the line if there is someone using the gate.

Step 2

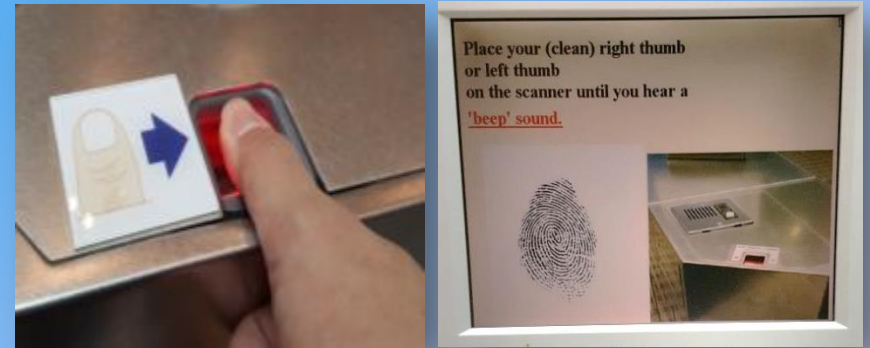

With your photo page facing down, insert your passport into the passport reader.

Step 3

Remove your passport from the passport reader when prompted.

Step 5

Place your enrolled finger on the fingerprint scanner when prompted.

Step 4

When the flappers open, enter the lane.

Step 6
