

PART 3 – DECLARATION BY APPLICANT

I hereby declare that all the information furnished by me in this application is true and correct.

I undertake not to misuse controlled drugs or to take part in any political or other activities during my stay in Singapore which would make me an undesirable or prohibited immigrant under the Immigration Act (Cap. 133).

I undertake to comply with the provisions of the Immigration Act and any regulations made there under or any statutory modification or re-enactment thereof for the time being in force in Singapore.

I undertake not to be involved in any criminal offences in Singapore.

I undertake that I will only enter Singapore on a social, business or professional visit, as a tourist.

I undertake not to indulge in any activities which are inconsistent with the purpose for which the immigration passes have been issued.

I further undertake not to engage in any form of employment or in any business, profession or occupation in Singapore whether paid or unpaid, without a valid work pass issued under the Employment of Foreign Manpower Act (Cap. 91A).

I am aware that overstaying or working illegally in Singapore is a serious offence and on conviction, the penalties may include mandatory imprisonment and caning.

I understand that if the Controller of Immigration is satisfied that I breach this undertaking or becomes an undesirable or prohibited immigrant, he will cancel my immigration pass and I may be required to leave Singapore within 24 hours of such cancellation.

I understand that as long as my FT programme membership is valid, I am not required to submit a duly completed Disembarkation/Embarkation form (IMM 27 I/J/K/L) upon my arrival at and departure from Singapore, unless the Controller of Immigration requires so.

I undertake to inform ICA (via the enrolment centres) of any changes to the information provided in this form.

I give my consent for ICA to obtain and verify information from or with any source as it deems appropriate for the assessment of my application for the FT programme.
